

A love letter to my Satania-system family.

In the year 2026, Urantia time.

My dear system sisters and brothers ~

I am Marin. I live on planet 606 called Urantia. We are a world just recently coming out of this terrible spiritual rebellion, of which you have also been caught in. I send my heart-felt love, respect and longings to meet you one day. I expect that you are an amazing people – ripe with wisdom, a unique confidence and the proclivity for great faith and trust in the One who gives us all light and life.

On one hand it seems that all of us have been so unfortunate to have had this Lucifer rebellion foisted upon us with all of its evil and unhappy results and motivations. However, on the other hand we can see from this place that great attributes and skills have been developed for a higher level of loving service for our Master Michael, and his beloved children.

He is ours. We are His.

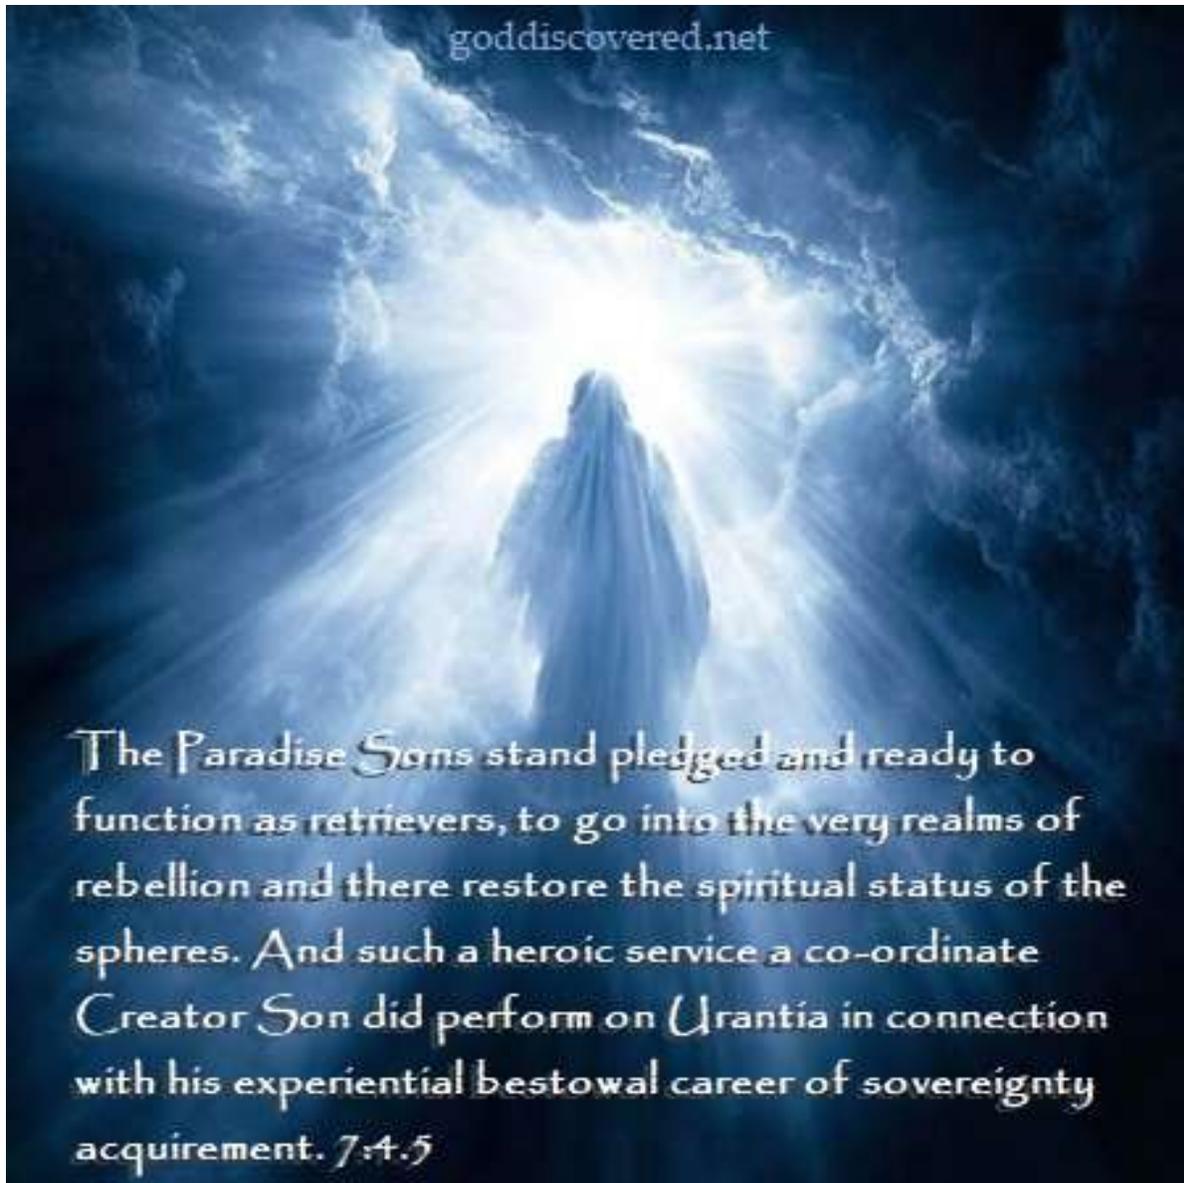

It is in this love for our Paradise Father and Michael [our Jesus] that I say to you I consider you all ‘mine’ as well – in similarly shared struggles due to this rebellion. In friendship as inhabitants of the same system of Satania, and in comparable adoration for our Father of All, I say, “Hi”. When the treasure of a new and true friend arrives onto the stage of life this becomes a day to cherish forever. May a day as this emerge for us.

Much is transpiring rather quickly on our world and in our Satania system. I will set *our* world events to the side, for they are merely trifles and skirmishes, soon to fade and fall away as **Michael’s Correcting Time** unfolds. This is where the good stuff comes to the fore!

You may, or may not, know that we were given a Big Blue Book called **The Urantia Book** by our Celestial-s from all manner of orders and service about a century ago. Although this book has places that specifically apply to our world, Urantia, there is MUCH—VERY MUCH that also applies to you. Not knowing exactly how to do this – we would like for you all to have this book also. Book projects by our Celestials are a rare thing, and so, this is to be shared. It is my solid belief that my elders, mentors, teachers, authorities and Michael Himself desire this to be pursued. When you get this information expect turbo and tectonic-plate-shift spiritual growth to occur. This will be glorious for you – any of you who choose to do our Father’s will. We need to find a way to get this book to you all.

The Lucifer rebellion is OVER! I am happy if I am the first to give you this relieving GOOD NEWS! The stiff-necked and prideful rebels never repented and their time ran out some 40 years ago. This was the inauguration of **Michael’s Correcting Time**. They are ‘no more’. All who fell to their sophistries, yet subsequently repented, are happily continuing on in loving remedy as they journey on to their highest spiritual goals. We 37 planets in our Satania system caught in this Lucifer rebellion have similar experiences – not exactly the same, as we are all unique – but *understanding* of what we each have endured, and are now living through, is near in sight. This would bring us into a fast friendship and possibly a *grand adventure* in the name of our Paradise Father and our Universe Sovereign, Michael.

Michael IS many things. HE does as HE desires. HE has a thought – and it is so. If you will allow me, I will share a passage from our book illuminating one of His greatest attributes that has direct impact for all of you as well.

*7:4.5 The Bestowal Plan. The next universal plan is the great Father-revelation enterprise of the Eternal Son and his co-ordinate Sons. This is the proposal of the Eternal Son and consists of his bestowal of the Sons of God upon the evolutionary creations, there to personalize and factualize, to **incarnate** and make real, the love of the Father and the mercy of the Son to the creatures of all universes. Inherent in the bestowal plan, and as a provisional feature of this ministration of love, the Paradise Sons act as rehabilitators of that which misguided creature will has placed in spiritual jeopardy. Whenever and wherever there occurs a delay in the functioning of the attainment plan, if rebellion, perchance, should mar or complicate this enterprise, then do the **emergency provisions** of the bestowal plan become active forthwith.*

2000 years ago Michael came to our world in the flesh, as a babe, and He walked among us as a man. His life and teachings are found in Part 4 of the text we need to get to you. All people on your world need access to this life-changing spiritual information. Then, further, all people on all our rebellion-effected Satania-system worlds will need this information also. Plans for this are underway, but the details are not for this letter.

Without flowery words: MICHAEL is coming for ALL of us! In fact – HE is already here. He brought with Him some friends and co-workers. A *grand adventure* is afoot, and we are offered the opportunity to ‘join the party’ and uplift our unhappy sector of Nebadon, our local universe. Due to no fault of our own, we are holding up the universe in terms of our pursuit and progress towards Light and Life – the highest goal, the experience of our Supreme, Our God of ACTION.

Hence, ***Michael’s Correcting Time!***

It is vital to recognize *Their* intentions, “We do not come to take away the problems of a world or a system. We teach spiritual solutions.” The mortal work of Michael’s ministry is to be done by us – His loyal mortal children, followers and friends. When we do something – He does something [assisted and executed by His heavenly hosts of all manner of helpers standing ‘at-the-ready’].

What great FUN we shall have!

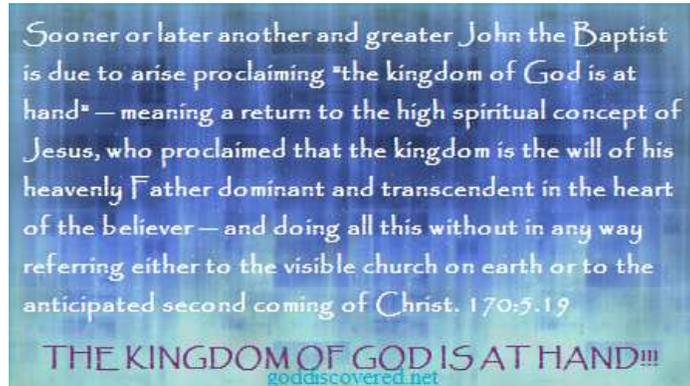

If you plan to come here, or if you are already here, engage with great caution!!! [You likely already know this about us!] Our technology has far surpassed our morals and ethics. This will change. We are an experimental decimal planet full of VERY different personalities, a high level of fear, loneliness, anger, disappointment, tribal and national wars instigated by those seeking to control things and people. We also have a special ability to love and trust God without ‘seeing’, to persevere when isolated and to TRIUMPH over INSUPERABLE difficulties even when alone. Many [and I do mean millions] have weapons that could hurt you, or even kill you [this has happened]. BE VERY CAREFUL! We are currently in a brand new ‘war of all wars’ which could be a part of Michael’s plan [I suspect this is so, and this story is marvelous!]. If you do not, or cannot come to us [me and my husband] I trust completely another plan will ensue. Michael always has His options for other plans when one becomes insufficient, or something surprising enters the scene. More on that later if this is the case.

When you meet Michael you will instantly comprehend that HE IS GOD. His personality is undeniable. His love EXUDES from His very being. One is instantly spiritually uplifted and new recognition-s of enlightenment and understandings become REALITY. **HIS** REALITY AS GOD! It is hard of description with archaic words. However, this is one of my tasks: To describe the indescribable – to speak the unspeakable. I will be true to my task and try my very best to accomplish His desires and goals.

MICHAEL will bring all of His previously rebellion-quarantined worlds in Satania to Himself. We will be brought back into our universe family as the spiritual circuits have now been repaired. This is His time-plan. And this, my friend[s] is one of the greatest opportunities for one’s spiritual career! To become a contributing part of this plan, to offer a delay in our own spiritual careers in order to lovingly serve as extended-mortals for the extraordinary chance to help our ‘system-family-fellows’ find spiritual remedies for our unhappy situations by way of attaining God who dwells within ALL of us. To choose to stand tall for Michael in the spiritual ministry of uplift and restoration coming out of, seemingly, the most terrific spiritual rebellion – even in all of the history of Nebadon, our local universe. To those who accept the challenge to do GREAT things that have never been done before – to

achieve something that has not been achieved – is magnificently humbling. MANY blessings will come to those who choose, by their free will decisions, to LIVE and BREATHE this *set apart path*.

We will resurrect His forgotten gospel message.

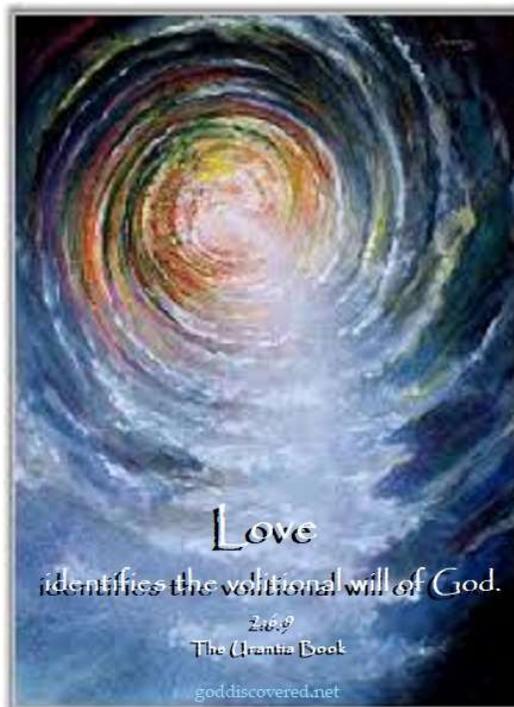

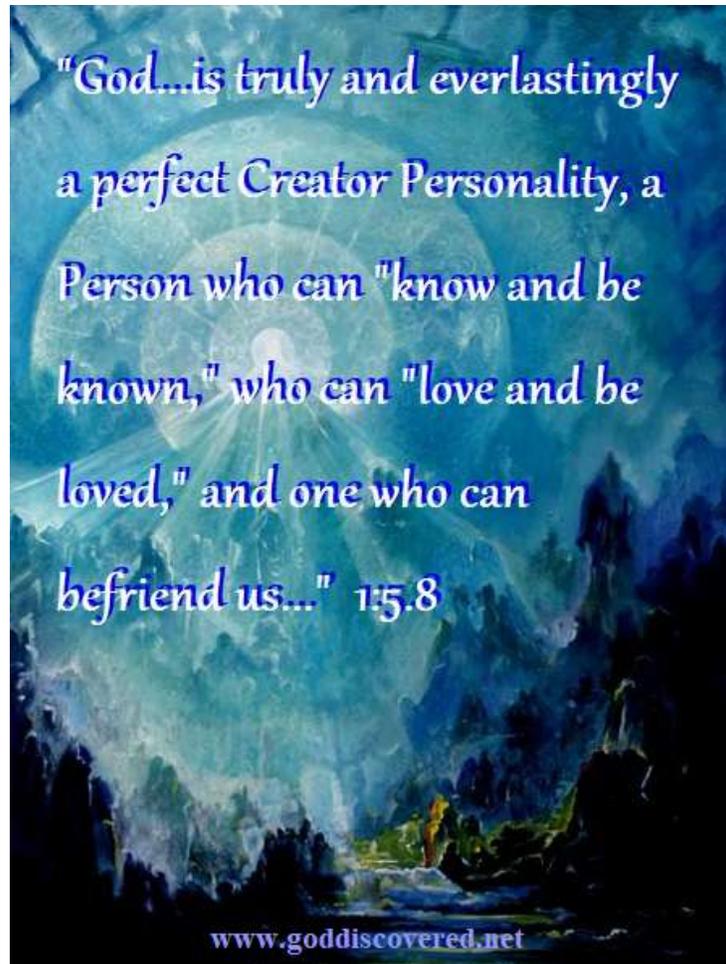

I absolutely trust our Melchizedeks! One of their own has chosen to do this very thing I just spoke of in order to incarnate for us as Our New Plantery Prince and Sovereign in the manner of flesh and blood. He loves us so much that He, Machiventa, has chosen to change His universe status from a descending Son of God into an ascending one. I can hardly fathom this!!! He is here, and we are on our way.

I leave you now with some passages and pictures; an inadequate attempt to convey the magnitude of our Great God’s power, mercy, love and adorable character and nature. With all the love in my heart and hope in my pursuant longings for a friendship with you, I bid you farewell.

“Carry on.” as Michael always says.

[These] men
are yours – as all
life is in your hands –
you gave them to me,
and I have lived among them,
teaching them the way of
life, and they have believed.
These men are learning that all I have
comes from you, and that the life I live
in the flesh is to make known my
Father to the worlds.

I have other and better worlds where you shall
likewise work for me. And in all of this work,
on this world and on other worlds, I will work
with you, and my spirit shall dwell within you."
- Jesus 192:2.13

The last group prayer of Jesus before His death on the cross and resurrection from the tomb.

182:1.3 “Father, my hour has come; now glorify your Son that the Son may glorify you. I know that you have given me full authority over all living creatures in my realm, and I will give eternal life to all who will become faith sons of God. And this is eternal life, that my creatures should know you as the only true God and Father of all, and that they should believe in him whom you sent into the world. Father, I have exalted you on earth and have accomplished the work which you gave me to do. I have almost finished my bestowal upon the children of our own creation; there remains only for me to lay down my life in the flesh. And now, O my Father, glorify me with the glory which I had with you before this world was and receive me once more at your right hand.

182:1.4 “I have manifested you to the men whom you chose from the world and gave to me. They are yours — as all life is in your hands — you gave them to me, and I have lived among them, teaching them the way of life, and they have believed. These men are learning that all I have comes from you, and that the life I live in the flesh is to make known my Father to the **worlds**. The truth which you have given to me I have revealed to them. These, my friends and ambassadors, have sincerely willed to receive your word. I have told them that I came forth from you, that you sent me into this world, and

that I am about to return to you. Father, I do pray for these chosen men. And I pray for them not as I would pray for the world, but as for those whom I have chosen out of the world to represent me to the world after I have returned to your work, even as I have represented you in this world during my sojourn in the flesh. These men are mine; you gave them to me; but all things which are mine are ever yours, and all that which was yours you have now caused to be mine. You have been exalted in me, and I now pray that I may be honored in these men. I can no longer be in this world; I am about to return to the work you have given me to do. I must leave these men behind to represent us and our kingdom among men. Father, keep these men faithful as I prepare to yield up my life in the flesh. Help these, my friends, to be one in spirit, even as we are one. As long as I could be with them, I could watch over them and guide them, but now am I about to go away. Be near them, Father, until we can send the new teacher to comfort and strengthen them.

182:1.5 “You gave me twelve men, and I have kept them all save one, the son of revenge, who would not have further fellowship with us. These men are weak and frail, but I know we can trust them; I have proved them; they love me, even as they reverence you. While they must suffer much for my sake, I desire that they should also be filled with the joy of the assurance of sonship in the heavenly kingdom. I have given these men your word and have taught them the truth. The world may hate them, even as it has hated me, but I do not ask that you take them out of the world, only that you keep them from the evil in the world. Sanctify them in the truth; your word is truth. And as you sent me into this world, even so am I about to send these men into the world. For their sakes I have lived among men and have consecrated my life to your service that I might inspire them to be purified through the truth I have taught them and the love I have revealed to them. I well know, my Father, that there is no need for me to ask you to watch over these brethren after I have gone; I know you love them even as I, but I do this that they may the better realize the Father loves mortal men even as does the Son.

182:1.6 “And now, my Father, I would pray not only for these eleven men but also for all others who now believe, or who may hereafter believe the gospel of the kingdom through the word of their future ministry. I want them all to be one, even as you and I are one. You are in me and I am in you, and I desire that these believers likewise be in us; **that both of our spirits indwell them**. If my children are one as we are one, and if they love one another as I have loved them, all men will then believe that I came forth from you and be willing to receive the revelation of truth and glory which I have made. The glory which you gave me I have revealed to these believers. As you have lived with me in spirit, so have I lived with them in the flesh. As you have been one with me, so have I been one with them, and so will the new teacher ever be one with them and in them. And all this have I done that my brethren in the flesh may know that the Father loves them even as does the Son, and that you love them even as you love me. Father, work with me to save these believers that they may presently come to be with me in glory and then go on to join you in the Paradise embrace. Those who serve with me in humiliation, I would have with me in glory so that they may see all you have given into my hands as the eternal harvest of the seed sowing of time in the likeness of mortal flesh. I long to show my earthly brethren the glory I had with you before the founding of this world. This world knows very little of you, righteous Father, but I know you, and I have made you known to these believers, and they will make known your name to other generations. And now I promise them that you will be with them in the world even as you have been with me — even so.” ~ Jesus of Nazareth, Son of God and son of man, Michael – Sovereign Ruler of Nebadon, our local universe.

"... in an age to come **the gospel which I declare to you** will rule this very world. The ultimate goal of human progress is the reverent recognition of the fatherhood of God and the loving materialization of the brotherhood of man."
